# ABOUT THE ARTISTS

## Casper Artists' Collective Mission Statement

The Casper Artists' Collective aims to foster a community where visual arts play a central and significant role as a source of meaning, pleasure, connections, and value.

This organization centered clearly on the arts, welcomes all artists, promotes learning, has ties to other art groups, and supports the personal adventure of creation.

The Casper Artist's Collective gives all Casper artists a community for sharing ideas, creative support, and positive relationship building. The Collective facilitates networking, workshops, exhibitions and sales for its members.
